

Prophets: Ezekiel

CORE SCRIPTURE

Ezekiel 33:4-6

4) Then he said to me, "Prophesy to these bones and say to them, 'Dry bones, hear the word of the Lord! 5) This is what the Sovereign Lord says to these bones: I will make breath enter you, and you will come to life. 6) I will attach tendons to you and make flesh come upon you and cover you with skin; I will put breath in you, and you will come to life. Then you will know that I am the Lord.'"

MAIN POINT

"God uses ordinary people and everyday vocations for His purposes."
– Caleb Treat

God brings life to what seems dead and hopeless. Through the vision of dry bones, God showed His power to restore, renew, and fill His people with His Spirit. Our words matter. We should speak God's truth, life, blessing, and hope over our families, health, future, and circumstances while partnering with God in faith.

DISCUSSION QUESTIONS

- Why do you think God asked Ezekiel to speak to the dry bones instead of acting without his participation?
- How have you experienced God bringing life to something that seemed dead or hopeless?
- What kinds of words are you currently speaking over yourself, your family, or your future?
- What does it mean to speak God's truth rather than just our feelings?
- How does knowing that God's Spirit lives within believers change the way you live daily?
- In what area of your life do you need to begin speaking faith, hope, or blessing?

Father,

THANK YOU FOR BRINGING LIFE TO DRY PLACES. FILL US WITH YOUR SPIRIT, HELP US SPEAK FAITH AND TRUTH, AND LEAD US TO WALK CONFIDENTLY IN YOUR PURPOSE. AMEN.

God's greatest desire is to dwell with His people.
